The National Vetting Bureau (Children and Vulnerable Persons) Acts 2012-2016, which came into effect on 29 April 2016, makes it **mandatory** for people working with *Children or Adults at Risk* to be vetted by the Garda Síochána National Vetting Bureau. All diocesan personnel, clergy, paid workers and volunteers who have regular access to *Children or Adults at Risk* **must undergo** Garda Vetting. **This is the law.**

Due to Covid-19, any staff/volunteer who have been out of post for more than one year, now require re-vetting.
For information on Who Needs Vetting?

RE-VETTING FOR ALL OTHER CLERGY STAFF & VOLUNTEERS

The National Board for Safeguarding Children in the Church in Ireland now recommend re-vetting every 3 years

Safeguarding Children in the Diocese of Raphoe

SACRISTY REGISTERS sometimes referred to as Sacristy Sign-In Books are a record of attendance in the Sacristy before and after liturgical services. They could, for example, record the presence of the Priest, Deacon, Altar Servers, Sacristan and others. They should not include those whose presence is accidental such as a Parishioner/Visitor having a private word with the Priest or those collecting items required for the liturgical celebration. The use of a hard-backed book is preferable to loose sheets the register is a semi-permanent record.

Visiting Clergy should always be asked to produce a celebret before celebrating Mass or other Sacraments. This is to ensure that the Priest is of good standing and that there is nothing that would preclude him from exercising ministry. The presence of the Sacristy Register and the time taken to fill it in is also a reminder to those present of the priority given to Safeguarding in the Parishes of the Raphoe Diocese.
